

# CEILING WIRE

## Pre-Tied Ceiling Wire with Clip (12 Gauge)

Pre-Tied Ceiling Wire is a metal wire that is used for the overhead support of acoustical and drywall ceilings, or to hang electrical fixtures. The pre-tied clip helps to reduce installation time and can be installed with low velocity powder actuated tools in poured concrete deck.

CAT. NO.	UPC	DESCRIPTION	Pieces Per Bundle	Bundles Per Crate	Pieces Per Crate
<b>CWC6</b>	81936	6' Pre-Tied Ceiling Wire w/ Clip	100	140	14,000
