

TUFF GEAR™ PRO TOOLBELT 29 - 42 INCHES

The Tuff Gear Pro Tool Belt is made of a durable, 1680 denier ballistic polyester to withstand the toughest conditions. It has 22 pockets for ample storage space for accessories, ensuring they are always within easy reach for quick access. The Pro Toolbelt has extra padded lumbar back support with diamond texture design that offers increased comfort. To enhance ergonomic comfort a removable back support harness is attached, which distributes weight evenly and reduces strain on the lower back during prolonged use.

Features & Benefits

- Constructed of ballistic polyester
- Vertical and wide mouth pockets
- Carbon Steel D Rings harness clips
- Padded lumbar back support
- Removable back support harness
- Wide range of fit
